

GENDER EQUALITY

Trans Awareness

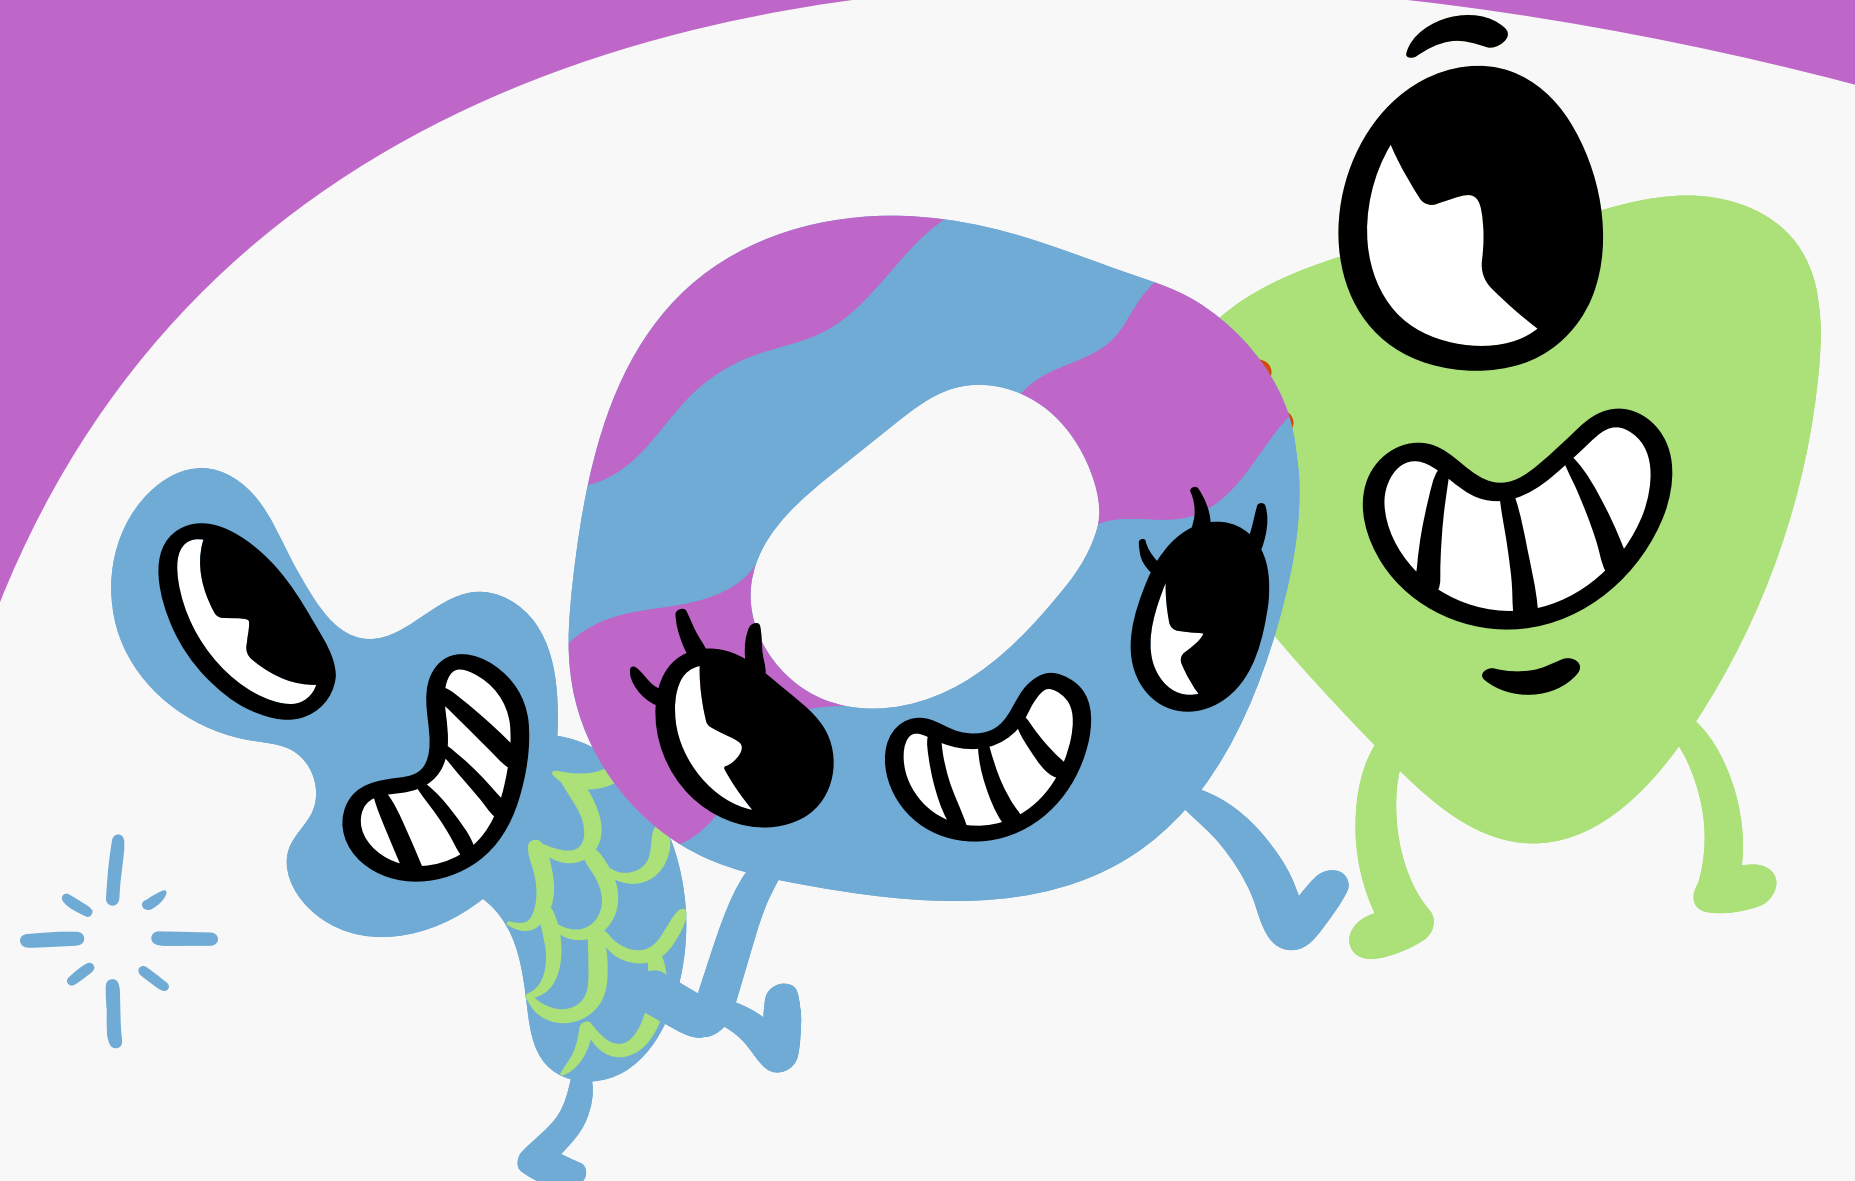

Before we start, this is a safe space:

Talking about elements of identity is complex. You do not have to share anything about yourself that you do not want to. If you want any support with anything at all - there is always someone to talk to!

THINK - WITHOUT SAYING IT
OUT LOUD....

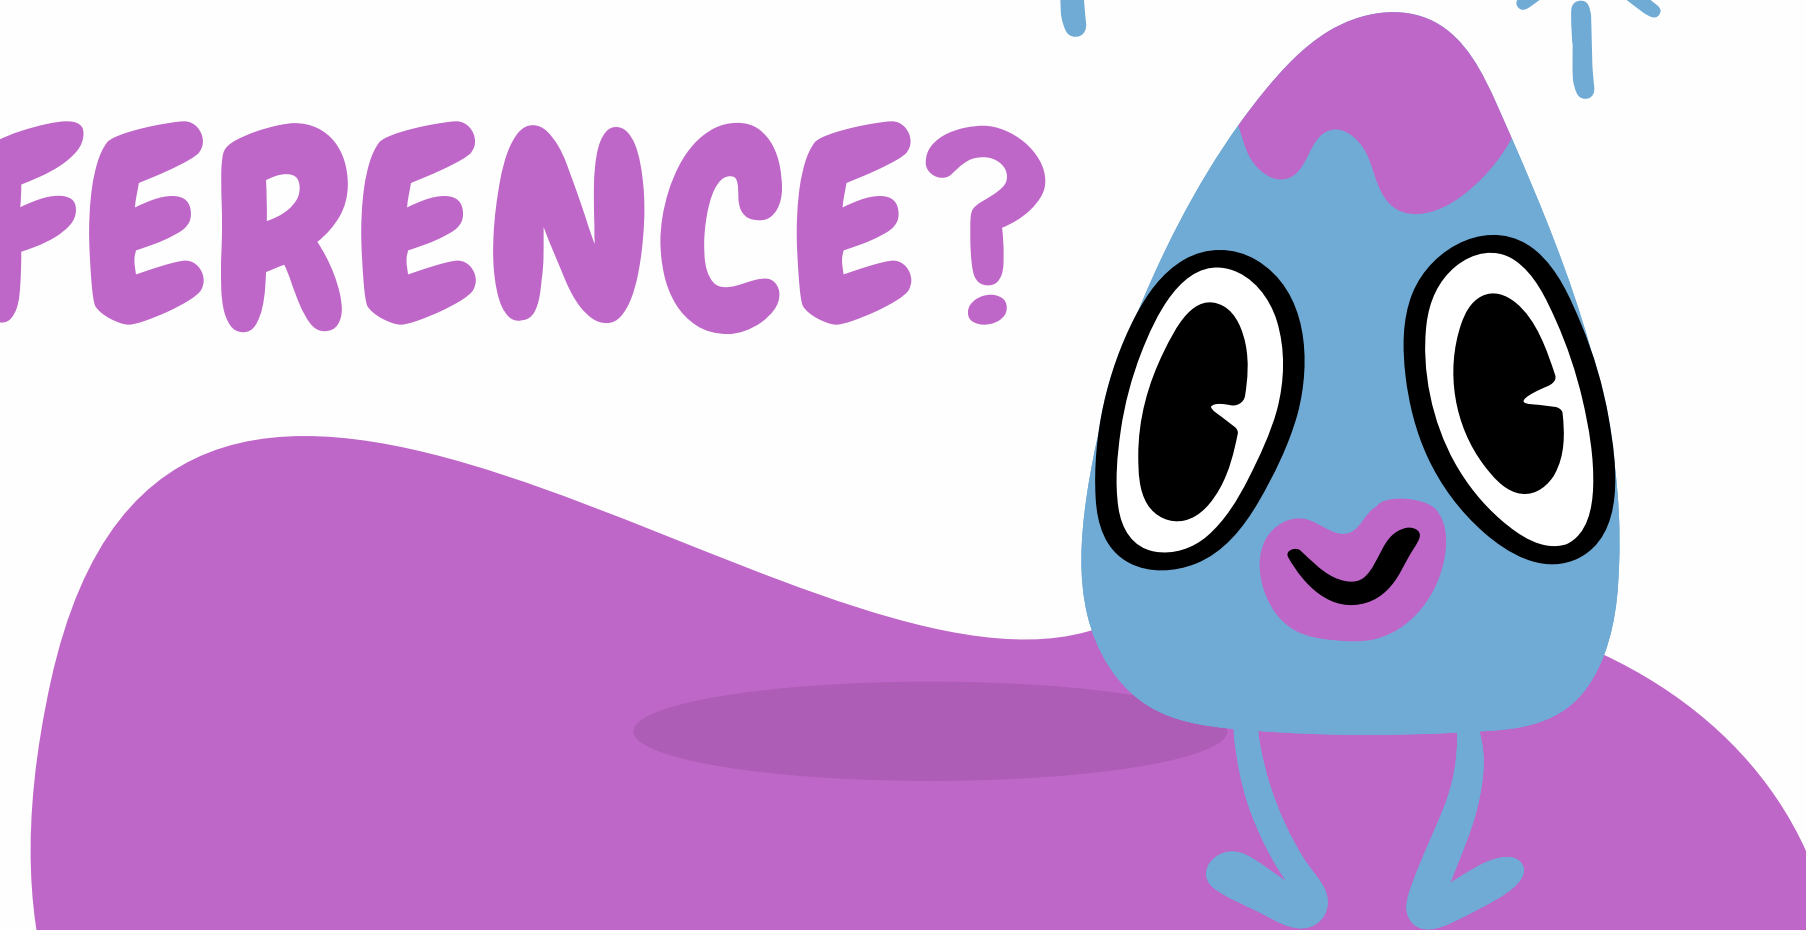

WHAT IS YOUR
GENDER?

WHAT IS GENDER?

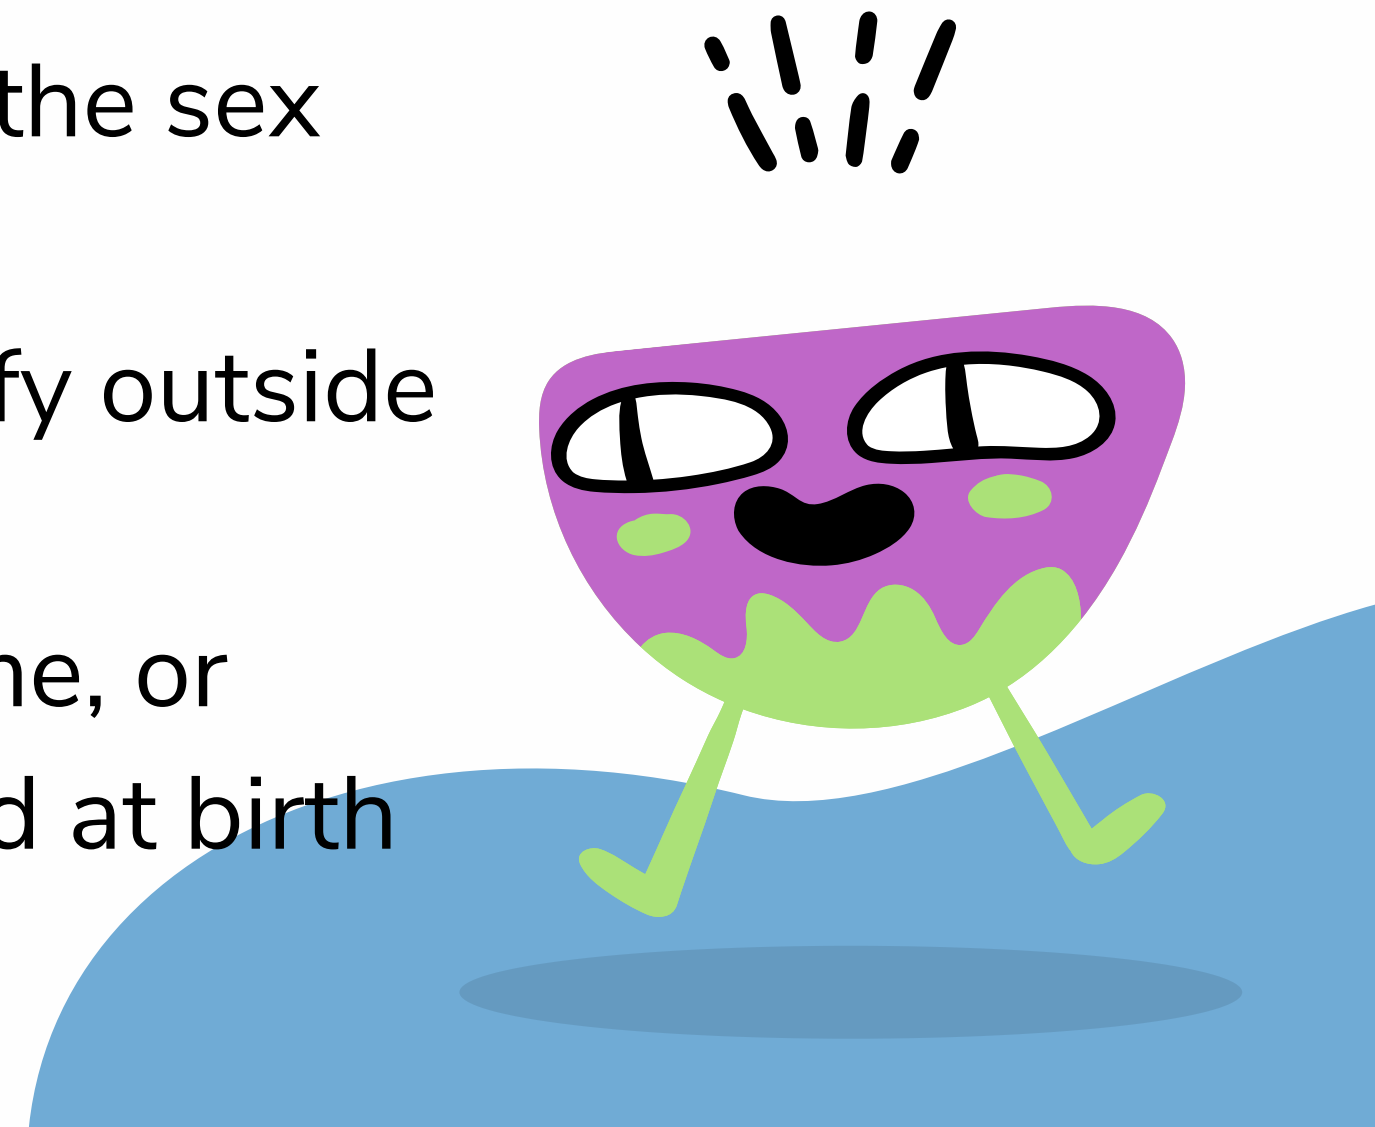

WHAT IS SEX?

WHAT IS THE DIFFERENCE?

KEY TERMS

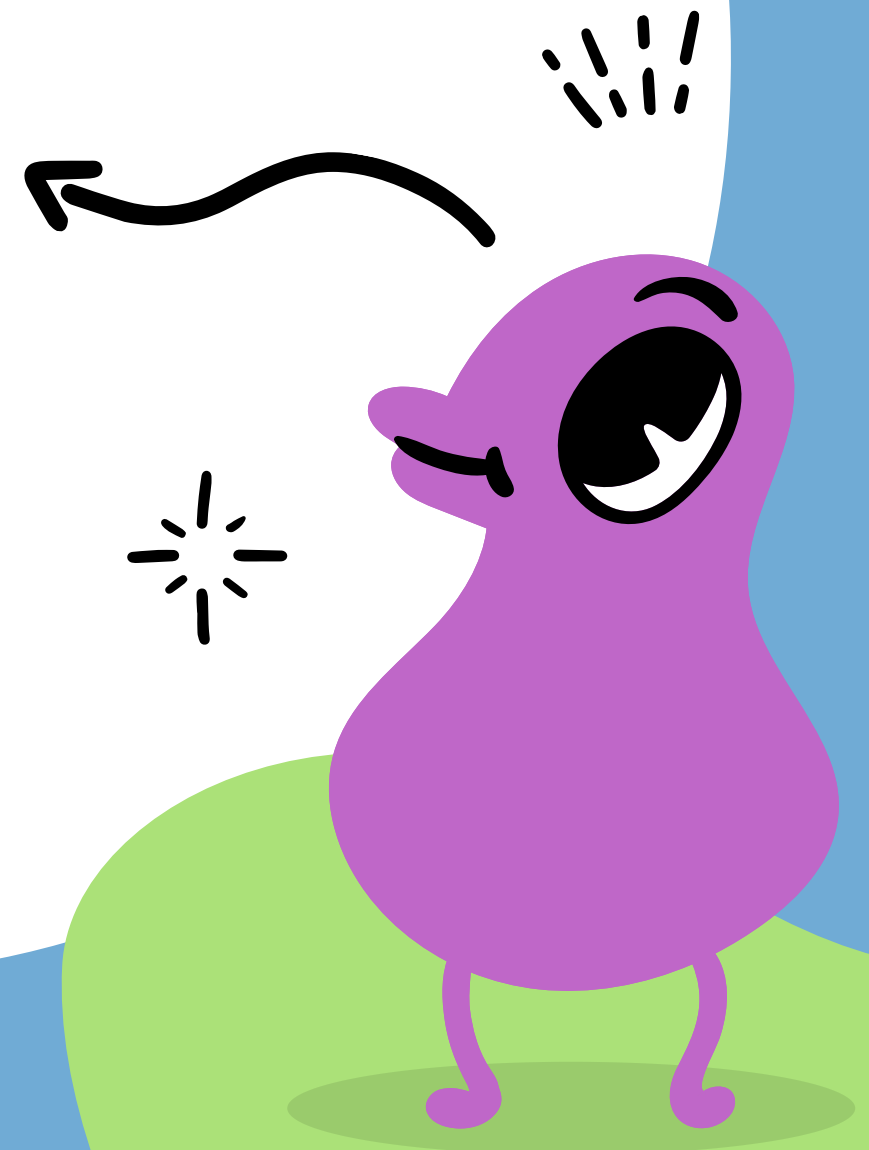

- **Gender identity** is a person's deeply held sense of their gender which is not visible to others
- **Sex** is assigned at birth
- **Trans** is an umbrella term for people whose gender identity and/or gender expression differs from the sex they were assigned at birth
- **Non-binary** is a term used by those who identify outside of the binary concept of man or woman
- **Cisgender** is a person whose gender is the same, or mostly the same as the one they were assigned at birth

What is a pronoun?

Words we use to refer to people's gender in conversation. E.g. she/ he/ they (to name but a few).

Top tip! Normalise asking people what their pronouns are, you could add yours to your bios on social media and in email signatures

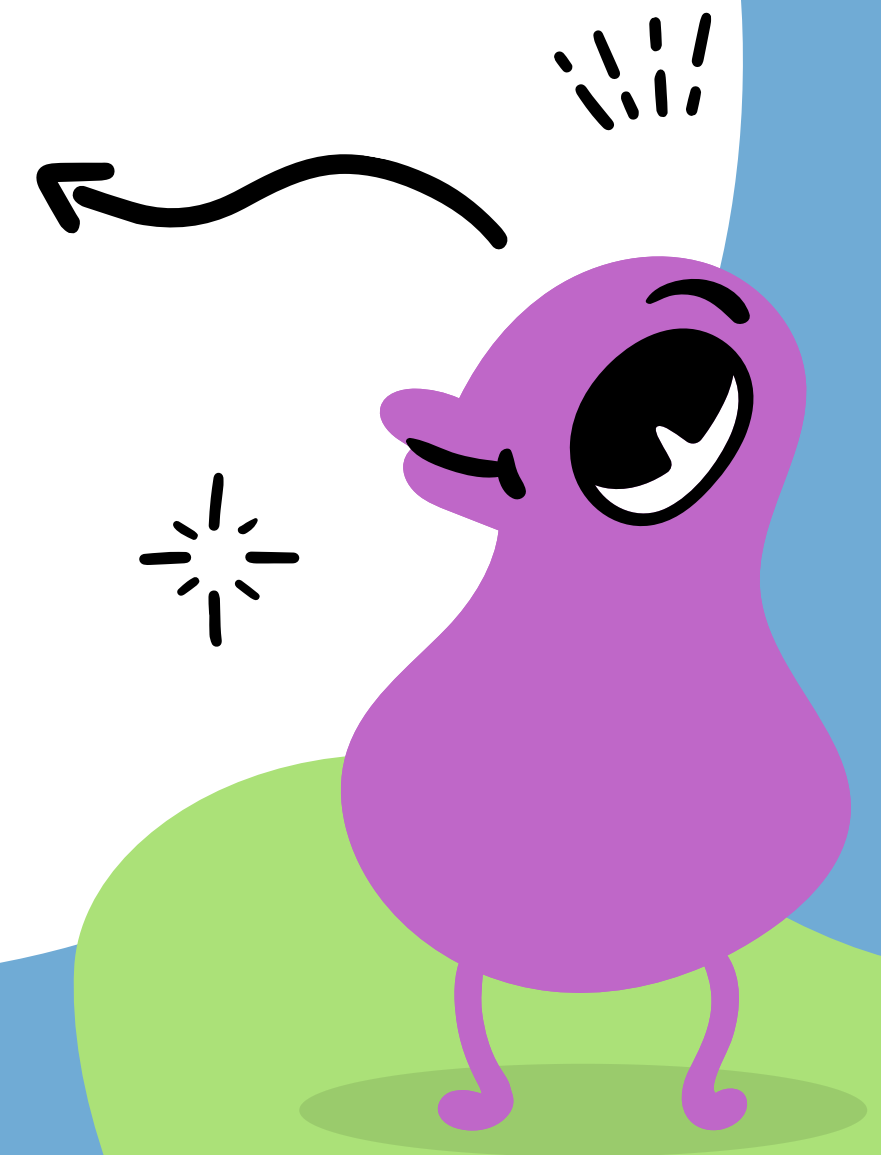

Key statistics...

- 64% of trans pupils are bullied in school
- More than four in five trans young people have self-harmed
- More than two in five trans young people have attempted to take their own life
- Two in five trans people (40 per cent) adjust the way they dress because they fear discrimination or harassment
- Two in five trans people (41 per cent) and three in ten non-binary people (31 per cent) have experienced a hate crime or incident because of their gender identity in the last 12 months
