

GENDER EQUALITY

Equality of women and girls

Today's date is
Making stuff happen
day

Quote of the Day

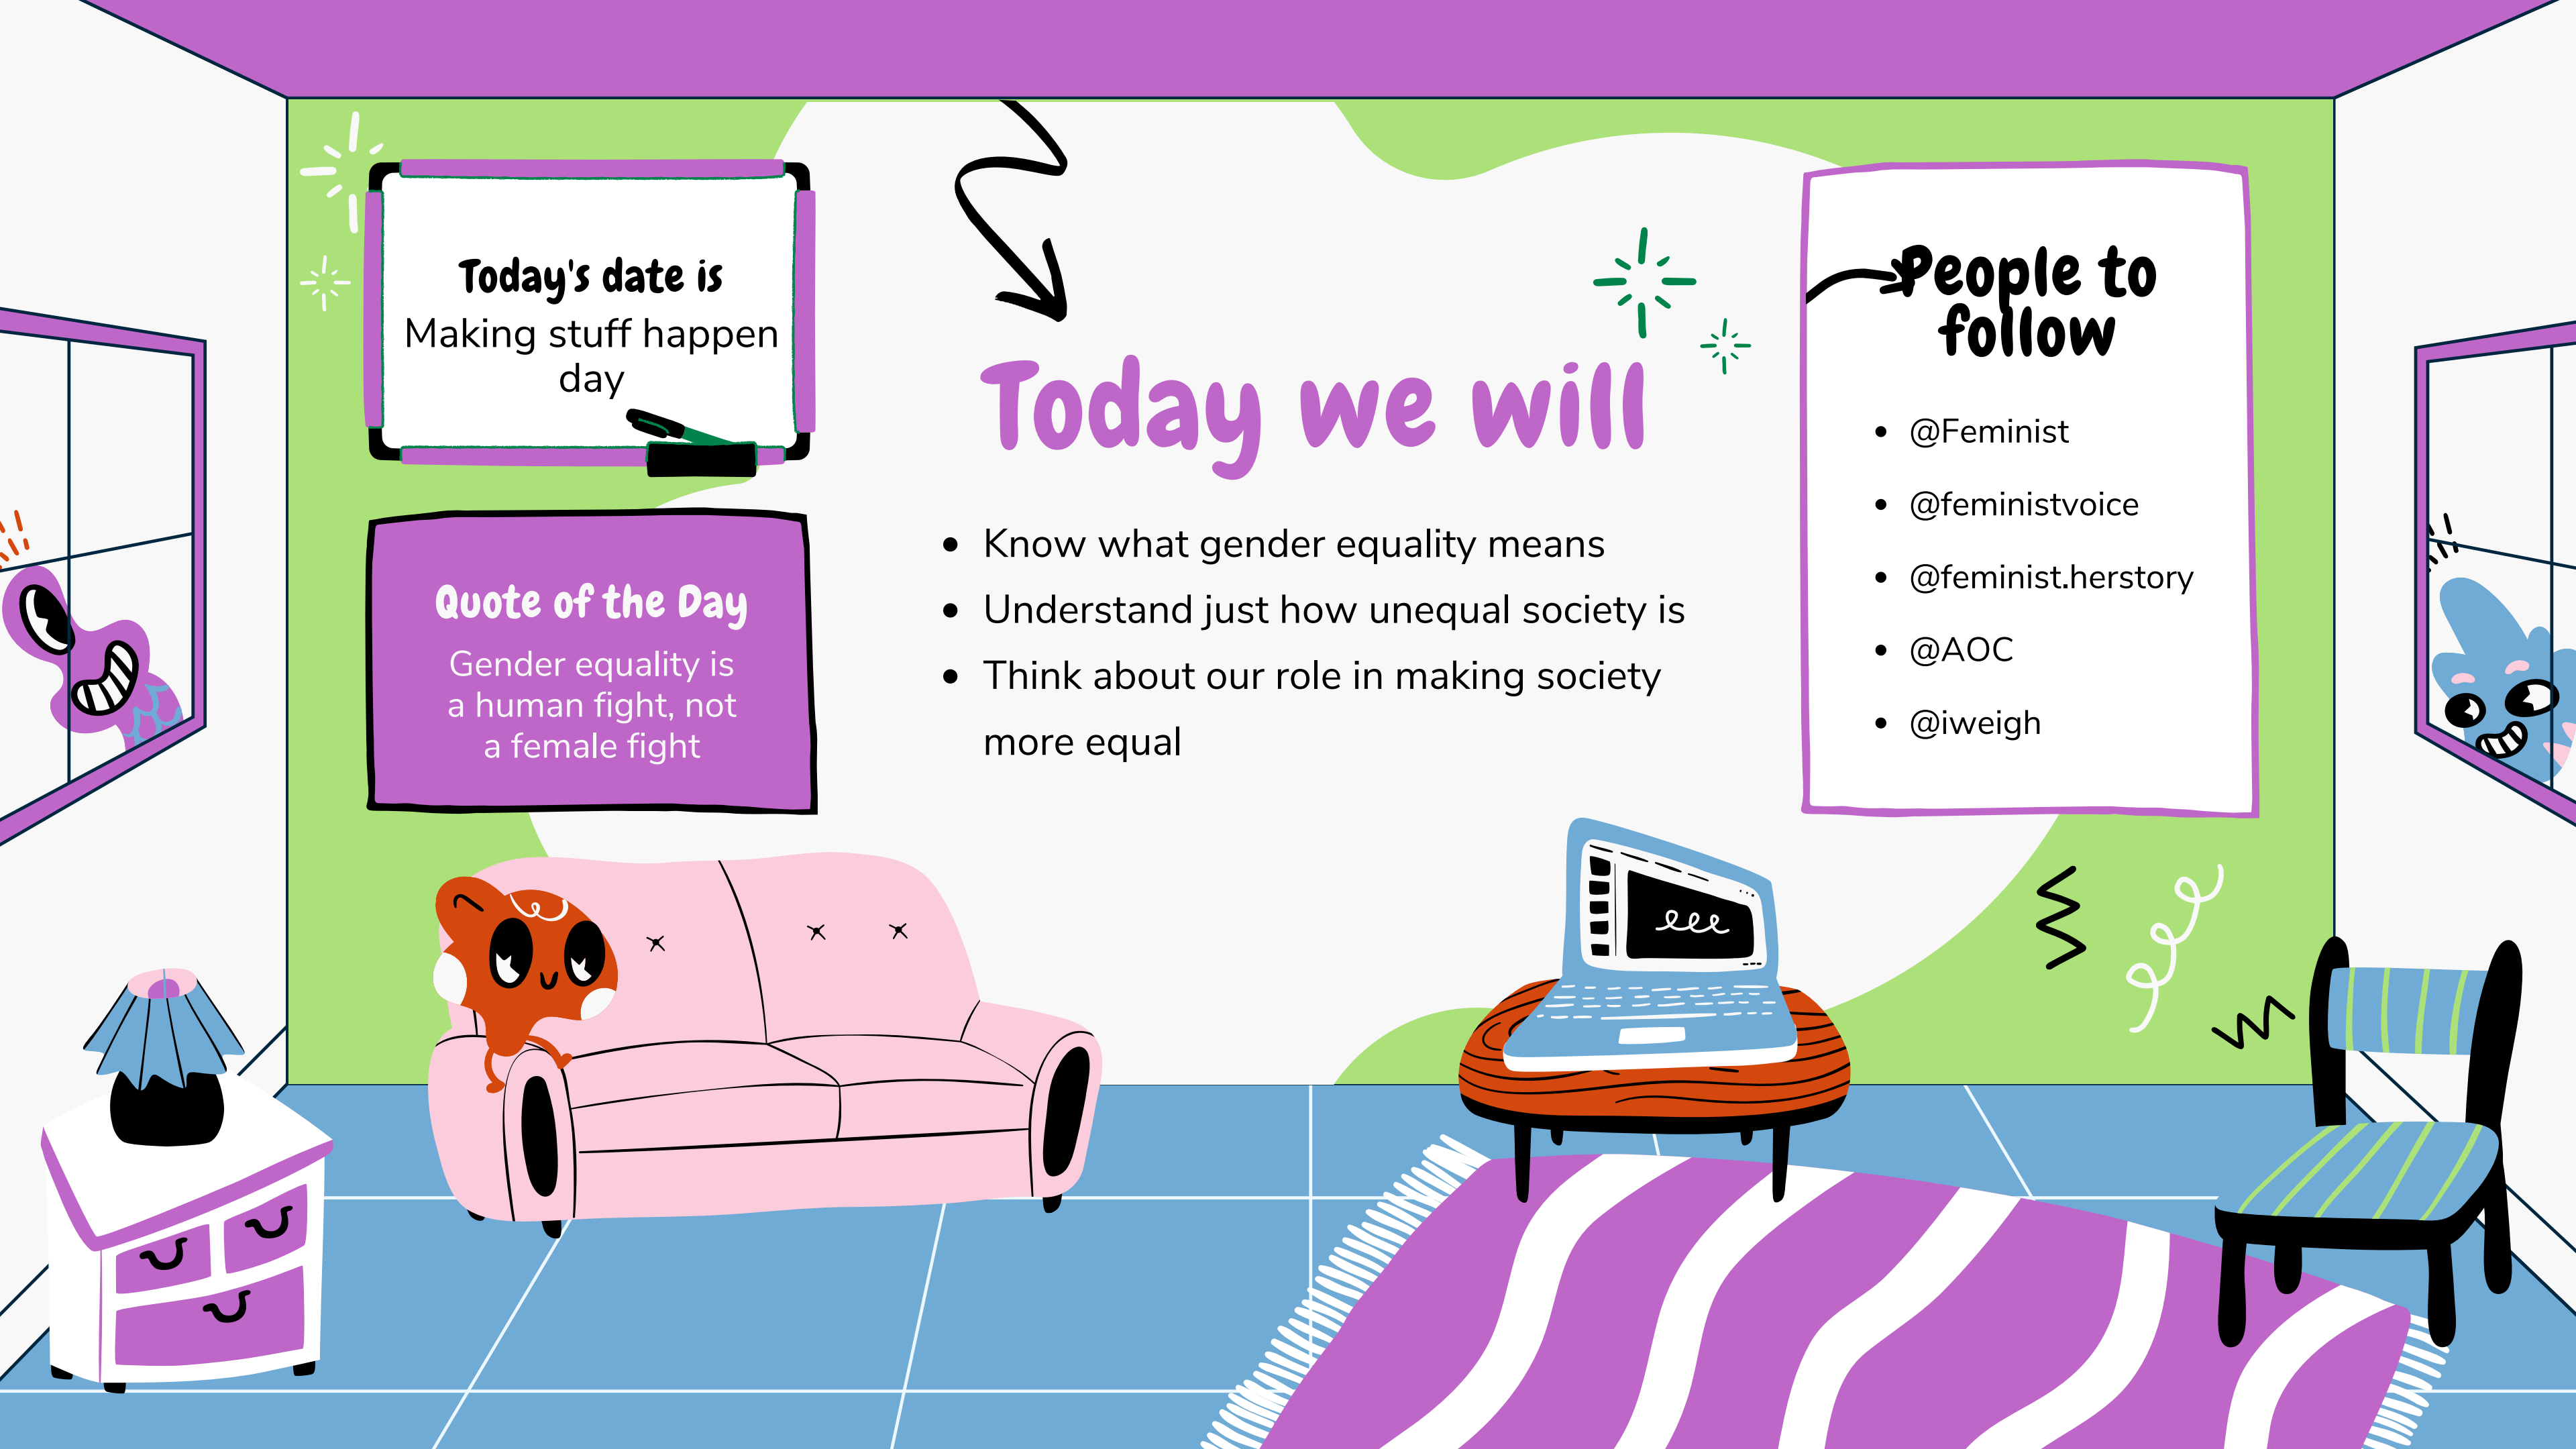

Gender equality is
a human fight, not
a female fight

Today we will

- Know what gender equality means
- Understand just how unequal society is
- Think about our role in making society more equal

Before we start, this is a safe space:

Talking about elements of identity is complex. You do not have to share anything about yourself that you do not want to. If you want any support with anything at all - there is always someone to talk to!

WHAT IS GENDER INEQUALITY?

Social process by which people are treated differently and disadvantageously, under similar circumstances, on the basis of gender. Everyone is affected by gender inequality - women, men, trans and gender diverse people, children and families.

What is gender equality?

Gender equality is when people of all genders have equal rights, responsibilities and opportunities.

True or false?

- 27.2% - percentage of women on companies' Board of Directors
- 14% - percentage of firms which have a female top manager
- 36% - percentage of firms with women in senior roles
- It will take 257 years to reach worldwide economic gender equality
- Women make up 24% of the world's parliamentarians and 5% of its mayors
- On average, women are paid 24% less than men for comparable work, across all regions and sectors
- 153 countries have laws which discriminate against women economically, including 18 countries where husbands can legally prevent their wives from working
- Worldwide, 1 in 3 women and girls will experience violence or abuse in their lifetime

All true... data correct 2020

How will you be responsible?

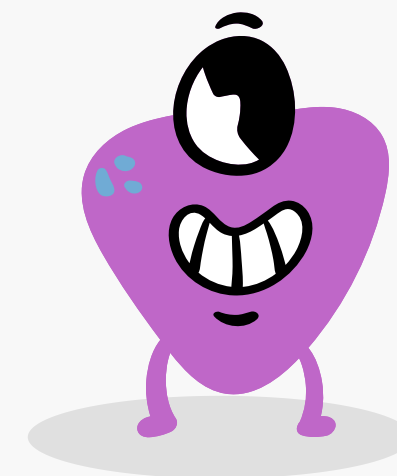

Achieving gender equality requires the engagement of everybody, no matter our gender identity.
It is everyone's responsibility...

Go

and be

the change
